IMPAPER

ABOUT US

We are more then just a brand, we're a social movement. Behind our brand, we're a young group of motivated and ambitious change makers. By purchasing our products, your supporting a better today, a better tomorrow and a better life for someone. For every product purchased, ImPaper (Impact Paper) will make a contribution to a specific cause to help improve the lives of others. We give annually through local and international non-profit organizations such as UNICEF, Trees For The Future, Feeding America, the Global Familymed Foundation and more. We aim to empower our customers to create a better future for those in need. Our priority is to make the world a better place and play our part in solving global problems.

ImPaper ventures to bring creative and originally designed greeting cards that make a difference. We are an independent greeting card publisher, where all of our products are designed and made in-house in Calgary, Alberta, Canada. We aim to bring forth a line of products that reach out to our customers whether it be an inspiration, amusement or kindred-ship.

ImPaper offers original prints, cards and decor products in various styles, materials and sizes.

HOW WE CONTRIBUTE

SCHOLARSHIPS
We curate funds to create scholarships for students.

VETERANS
We give back to military veterans.

MEALS FOR THE POOR
We help feed the hungry.

DISEASES
We help prevent deadly diseases in third world countries.

TREE PLANTING
We plant trees.

EDUCATION
We provide students in third world countries with school supplies.

HEALTH
We help prevent poor health through various medications and treatments.

FOOD ITEMS
We provide food items such as life milk to children in third world countries.

WATER PURIFICATION
We help give and create clean water where needed.

To date, ImPaper has given over 10000 meals, 4000 tetanus vaccines, 5000 anti-malarial pills and more!

MAGNETIC BOOKMARKS

These magnetic bookmarks are the perfect companion and work great for novels, textbooks, planners and more! Simply drop these magnet clips over the page(s) you wish to mark.
