ABOUT US

We are more than just a brand, we're a social movement. Behind our brand, we're a young group of motivated and ambitious change makers. By purchasing our products, you're supporting a better today, a better tomorrow and a better life for someone. For every product purchased, IMPAPER (Impact Paper) will make a contribution to a specific cause to help improve the lives of others. We give annually through local and international non-profit organizations such as UNICEF, Trees For The Future, Feeding America, the Global Familymed Foundation and more. We aim to empower our customers to create a better future for those in need. Our priority is to make the world a better place and play our part in solving global problems.

IMPAPER ventures to bring creative and originally designed greeting cards that make a difference. We are an independent greeting card publisher, where all of our products are designed and made in-house in Alberta, Canada since 2015. We aim to bring forth a line of products that reach out to our customers whether it be through inspiration or amusement.

Thank you for joining us and helping us to make an impact.
We look forward to working with you for years to come!
